

## Directions to YDV One & All - Workshops Pier Williamstown.

The best guidance for access the One & All on Workshops Pier is to use the Melways map reference: Map 56 E9

Workshops Jetty is shown on this map in the Melways (although it is correctly known as Workshops Pier – both "Pier" and "Jetty" are used and refer to the same place).

Directions: from Nelson Place, turn into Ann Street and then left into the Seaport Site - the ship will be clearly visible. If there are two ships in port, One & All is the larger with light coloured masts (the other ship would be Enterprize, which has brown masts).

Parking will be available on-site so you do not need to use the meter parking in Nelson Place.
